

Please join us for our upcoming virtual **Hispanic Council Meeting**

OmniRide has implemented three Mobility Councils in an effort to include Prince William County community stakeholders, residents and employers in the conversation about how to improve mobility in the greater Prince William Area. The councils further the agency's strategic goals of developing partnerships, but are also designed to serve as a forum for information sharing and the generation of ideas for service improvements and new program elements.

Please join us and be part of the conversation!
